Info: ER, Bru - als

1. EOB has no objection to the information about von der ROPP, Hans HELLER and Polyte HANIPETRO being passed on to the FRV. Our files do not indicate any connection between the Hans HELLER, 22 rue des Villas, Geneva, and the (mu) (probably Hans) HELLER of BREW-147, whose address as of June 1952 was Karlsruhe-Lottbeck, Frontanstr. 4. This does not necessarily mean that the two are not identical; merely that our files do not indicate the fact.
2. BREW-153, and WASH-45457 contain further information about ROPP, HELLER, and HANIPETRO.
3. EOB files contain no traces on Wilhelm F. Kuepers.
4. We regret the delay in answering reference.
